ORDER :

The present Writ Petition has been filed seeking a direction in the nature of writ by declaring the action of the respondents in seeking demolition of houses of petitioner association in Road No.10, Singada Basti, Banjara Hills, Hyderabad, as illegal and void and consequently not to disturb the possession of the petitioners Association members.

The averments in the writ petition go to show that the respondents have neither issued any proceedings nor issued notices to the members of the petitioner association. Further, it is also stated that the respondents are trying to dispossess the members of the petitioner association from the respective properties without following the due process of law. However, in view of the averment made that no notices have been issued to evict the members of the petitioner association and it was observed that the Writ Petition itself is premature and the same is not maintainable, a liberty is given to the petitioner association that if still the properties are in existence and if the members of the petitioners association are still in possession of the properties, as on today, the petitioner association may approach an appropriate forum, if any cause of action arises.

With the above observation, this Writ Petition is dismissed. No costs.
